1. General Purposes and Powers. The Steamboat Property Owners' Association has been formed and incorporated as a Colorado corporation not for profit to be and constitute the Association to which reference is made in this Declaration. It shall perform certain functions, as hereinafter defined, and shall hold and manage a portion of the Property, including the common area, as provided in this Declaration of all Owners of lots within Steamboat. Said Association shall have all powers necessary or desirable to effectuate these purposes, but it shall not engage in commercial or profit-making type activities.

2. Membership. Every Owner as defined in Article I, Section 6 of this Declaration shall be a Class A Member of the Association. There shall be one Class A membership in the Association for each lot, which Class A membership shall be appurtenant to the fee simple title to such lot. The owner of a lot shall automatically be the owner of the Class A membership appurtenant to that lot and title to and ownership of the membership for that lot shall automatically pass with fee simple title to the lot. Each owner of a lot shall automatically be entitled to the benefits and be subject to the burdens relating to the membership for his lot. If fee simple title to a lot is held by more than one

person or entity, the membership appurtenant to that lot shall be shared by all such persons or entities in the same proportion of interest and by the same type of ownership as fee simple title to the lot is held. Membership in the Association shall be limited to Owners of Lots, including Declarant, except as hereinafter provided.

3. Declarant's Class B Membership. For so long as Declarant owns any lots, tract or portion of the Property, Declarant shall have and be deemed to hold a Class B Membership in the Association. As the holder of this Class B Membership, Declarant shall be entitled to notice of all meetings of the Association, shall be entitled to speak and be heard at such meetings, and shall be entitled to Class B Member voting rights as hereinafter set forth, but Declarant shall not, by virtue of these rights, be considered an Owner for any other purposes. So long as it holds a Class B Membership, Declarant shall also have the right and obligation to designate a majority of the Members of the Board of Directors of the Association until such time as all of the Lots in the Properties, including all additional lots in other Properties which are annexed or to be annexed to Steamboat and made subject to this Declaration are sold by Declarant. As holder of Class B Membership, the approval of Declarant shall be required as a condition to merger, consolidation or dissolution of the Association and to the sale, encumbering or other hypothecation of all or any substantial portion of the assets of the Association. Except as hereinabove stated, Declarant, as the holder of the Class B Membership, shall have no other rights and be subject to no other obligation by reason of its membership in the Association. Declarant may voluntarily transfer to the Association its rights and obligations at any time but, in any event, Class B Membership shall end on March 1, 1984.

4. Special Membership For Operation of Ski Area Facilities, Golf Area Facilities, and Tennis Area Facilities. Any owner or operator of the Ski Area Facilities, Golf Area Facilities, Tennis Area Facilities, or any other recreation facilities within

Steamboat, if the real property making up such facilities has not been annexed to the Properties and has not been made subject to the terms of this Declaration, may be granted a Special Membership in the Association, in the sole discretion of the Board of Directors of the Association. If any such Special Membership is granted, the holder thereof, for the term of such Special Membership, shall have the same rights and easements for access, ingress, egress, enjoyment and use over, in, upon, and across the Common Areas and other facilities of the Association, as an Owner would have, provided however, that the holder of a Special Membership shall not be subject to any of the obligations of an Owner as said term is defined herein, and shall not be considered to be an Owner of a Lot by virtue of said Special Membership. As a condition to the granting of any such Special Membership, the Board of Directors may require execution of an agreement by the holder of such Special Membership obligating such holder to make payments or contributions to the Association, which payments shall be applied by the Association to the cost of maintenance and repair of any Common Areas and the improvements located thereon.

5. Board of Directors. The affairs of the Association shall be managed by a Board of Directors which may by resolution delegate any portion of its authority to an executive committee, or to an executive manager or director of the Association.

6. Notices. Except as a greater period is specified in this Declaration, each Owner, the Declarant and holder of a Special Membership shall be entitled to at least fifteen (15) days' notice of any meeting of the Association. Notices of meetings shall be in writing and shall state the date, time and place of the meeting and shall indicate each matter to be voted on at the meeting which is known to the Association at the time notice of the meeting is given. Any notice shall be deemed furnished or delivered to a party at the time a copy thereof is deposited in the United States Mail, postage prepaid, addressed

to a Lot Owner. Any notice, information or material shall be deemed properly addressed to an Owner if it is addressed to the last known address of such Owner as shown on the records of the Association at the time of such mailing, or, if the name and address is not so shown on the Association's records if it is addressed "To the Owner" at the address of the lot of such Owner.

7. Voting Rights. The Association shall have two classes of voting membership.

(a) **Class A.** Class A Members shall be all of the Owners with the exception of the Declarant. Class A Members shall be entitled to one vote for each lot in which they hold the interest. When more than one person holds such interest in any lot, all such persons shall be Members; provided, however, that the vote for such lot shall be exercised as the several Owners among themselves determine, but in no event shall more than one vote be cast with respect to any lot.

(b) **Class B.** The Class B Member shall be the Declarant. The Class B Member shall be entitled to five (5) votes for each lot to which it holds legal title, provided that the Class B Membership shall cease when the Declarant no longer owns any lot which is a part of the hereinbefore described real property or any property annexed thereto and made subject to the terms of this Declaration.

B. Record Date. The Board of Directors of the Association shall have the power to fix in advance a date as a record date for the purpose of determining Owners entitled to notice of or to vote at any meeting or to be furnished with any budget or other information or materials, or in order to make a determination of owners of lots for any purpose. A record date shall not be more than fifty (50) days prior to the date on which the particular action requiring determination of Owner of Lots is proposed or expected to be taken or to occur. If no record date has been established for a meeting, the date on which notice of such

meeting is first given to any Owner shall be deemed the record date for the meeting.

9. Certificate of Incorporation and By-Laws. The purposes and powers of the Association and the rights and obligations with respect to Owners and lots set forth in this Declaration may and shall be amplified by the provisions of the Articles of Incorporation and By-Laws of the Association, but no such provisions may be, at any time, inconsistent with the provisions of this Declaration.

ARTICLE IV

All insurance shall name the Association as insured. The Association shall provide Declarant, upon request, with certificates evidencing such insurance and copies of the insurance policies.

5. Indemnification. The Association shall be obligated to and shall indemnify Declarant and hold it harmless from all liability loss, cost, damage and expense, including attorney's fees, arising with respect to any operations of the Association or any property or facilities of the Association.

6. Rules and Regulations. The Association shall be authorized to and shall have the power to adopt and enforce rules and regulations applicable to the Common Areas; to prevent and reduce fire hazards; to prevent disorder and disturbances of the areas; to regulate pedestrian and vehicular traffic; to regulate use of any and all of the Common Areas and facilities located thereon to assure fullest enjoyment of use by the persons entitled to use the same; to promote the general health, safety and welfare of persons within the Properties; and to protect and preserve property and property rights. All rules and regulations adopted by the Association shall be reasonable and shall be uniformly applied. The Association may provide for enforcement of any such rules and regulations through reasonable and uniformly applied fines and penalties and/or through exclusion of violators from Common Areas and facilities of the Association or otherwise. No Owner or Guest shall be obligated to and shall comply with

and abide by such rules and regulations.

7. Charges for Use of Facilities. The Association may establish reasonable and uniformly applied charges for use of Common Areas and facilities to assist the Association in offsetting the costs and expenses of the Association attributable thereto. Each Owner and Guest shall be obligated to and shall pay any such charge for use.

8. Right to Dispose of Facilities. Subject to the provisions of this Declaration and of the Articles of Incorporation, the Association shall have full power and authority to sell, lease, grant rights in, transfer, encumber, abandon or dispose of any property or facility of the Association.

10. Implied Rights of Association. The Association, in addition to the powers granted by its Articles of Incorporation, shall have and may exercise any right or privilege given to it expressly in this Declaration, or given to it by law, and shall have and may exercise every other right or privilege or power and authority necessary or desirable to fulfill its obligations under this Declaration, including the right to engage necessary labor and acquire use of or purchase necessary property, equipment or facilities, employ personnel necessary to manage affairs of the Association, and obtain and pay for legal, accounting and other professional services as may be necessary or desirable.

ARTICLE V

ASSESSMENTS

1. General and Special Assessments. Each Owner, except Declarant, of any Lot situated on the real property hereinabove described by acceptance of a deed therefor, whether or not it

shall be so expressed in any such deed or other conveyance, is deemed to covenant and agree to pay to the Association the annual general assessments and special assessments established and levied from time to time on his lot as hereinafter provided. The general and special assessments, together with such interest thereon and costs of collection thereof, as hereinafter provided, shall be a charge on the land and shall be a continuing lien upon the property against which such assessment is made. Such assessments are subject to certain limitations; as to general assessments see Article X hereof and for special assessments see Section 6 of this Article.

3. General Assessments. The Association shall and is hereby authorized to levy an assessment against all lots for the purpose of defraying all costs and expenses of the Association incurred in the performance of its obligations under this Declaration or any other obligations rightfully undertaken by said Association including, without limitation, costs and expenses incurred in protecting and preserving the health, safety and welfare of the Owners of Lots and their Guests; in improving, maintaining, repairing, replacing and making additions to the Common Areas, streets, and facilities of the Association; for the costs of labor, equipment, materials, management and supervision of the Common Areas and facilities of the Association; and for the payment of taxes and insurance relating to the Common Areas and Facilities. All assessments so levied are herein referred to as "general assessments." The Board of Directors of the Association shall have the power and authority to determine all matters in connection with general assessments, including the power and authority to determine the amount of general assessment and where, when and how general assessments shall be paid to the Association, and each Owner shall be obligated to pay and shall pay to the Association the amount so established in the manner so established.

3. Budget for General Assessments. The total amount required to be raised by general assessments for the Association

shall be determined for each fiscal year of the Association in accordance with the following procedure.

Not less than thirty (30) days prior to the commencement of each fiscal year of the Association, the Board of Directors of the Association shall prepare a budget for the forthcoming fiscal year showing, in reasonable detail, the various matters proposed to be covered by the budget, the estimated costs and expenses to be incurred by the Association, the estimated income and other funds which will be earned by the Association, and the estimated total amount required to be raised by general assessments to cover the costs and expenses to be incurred by the Association in fulfilling its obligations specified in this Declaration and in fulfilling any and all long-term or continuing commitments of the Association made in connection with or contemplated under any previously approved budget. The total amount required to be raised by general assessments for any fiscal period for a full fiscal year determined as above multiplied by a fraction, the numerator of which is the number of months in the fiscal period and the denominator of which is the months of that fiscal year.

The total amount of general assessments required to be raised by the Association, as shown in a budget prepared in the foregoing manner, shall be equally apportioned among all of the existing Units. In determining the number of Units allocable to each lot for assessment purposes, the following rules shall apply:

- (a) Each lot, other than a multi-family tract which is used by a single family for residential purposes shall be equal to one Unit.
- (b) Each duplex which has actually been constructed on a Lot shall be equal to two Units.
- (c) Each multi-family tract, which has not been resubdivided or submitted to condominium ownership shall be equal to the maximum number of resubdivided lots, condominium units,

townhouse units, apartment units, duplex or other multiple dwelling units which could be built on said lot pursuant to the Steamboat Springs Subdivision Ordinances, in effect at the time of recording of this Declaration.

(d) If and when a multi-family tract has been resubdivided or submitted to condominium ownership then each such resubdivided lot, townhouse unit, condominium unit, apartment unit, duplex unit or other multiple dwelling unit shall be equal to one Unit.

(e) Notwithstanding any of the foregoing rules, under no circumstances shall any lot in these properties be equal to less than one Unit. The amount of the general assessment for any fiscal period of the Association payable with respect to each lot coming into existence during such fiscal year shall be computed by multiplying the general assessment for said type lot for that fiscal period by a fraction, the numerator of which shall be the number of days remaining in that fiscal period after the lot comes into existence and the denominator of which shall be the total number of days in that fiscal period.

4. Notice of General Assessment. Within the thirty (30) day period preceding the commencement of each fiscal year of the Association, the Association shall furnish a copy of the budget arrived at in the foregoing manner to Declarant and to all Owners. Accompanying such budget shall be a notice to each Owner setting forth the amount of general assessments due and payable with respect to each lot of an Owner and specifying where, when and how such general assessment shall be paid to the Association.

5. Supplemental Budget. If at any time it appears to the Association that the amount required to be raised by the Association during any fiscal year shall exceed the amount estimated in the budget previously prepared for such fiscal year, the Board of Directors of the Association may prepare a supplemental budget and may, at any time, deliver to Owners and Declarant, a copy of such supplemental budget together with a notice reflecting the same. In the general assessment per lot due and payable by each such Owner from and after the date of such notice, subject to the limitations of Article X herein.

6. Special Assessments. In addition to the general assessments hereinabove authorized, the Association may levy in any fiscal year a special assessment applicable to that year only, for the purpose of defraying, in whole or in part, the cost of any construction, reconstruction, unexpected repair or replacement of a capital improvement of the Association, provided, however, that any such assessment must first be approved by a two-thirds (2/3) vote of the members who vote in person or by proxy at a meeting duly called for the purpose of voting on such proposed special assessment. Written notice of any such meeting shall be sent to all members at least thirty (30) days in advance of such meeting and shall set forth the purpose of the meeting. The date or dates on which such special assessment shall be due and payable shall be fixed by the Board of Directors of the Association.

7. Effect of Nonpayment of Assessments--Remedies of the Association. The amount of any general assessment, special assessment, charge, fine, penalty or other amount payable with respect to any Lot, Owner or Owner's Guests shall become due and payable as specified by the Association and any such amount shall bear interest at the rate of twelve percent (12%) per annum from and after the date due, until the same is paid. The Association may bring an action at law against the Owner obligated to pay the delinquent assessments. In addition to such action or as an alternative thereto, the Association may file with the Clerk and Recorder of Routt County, wherein the property is situated, a Statement of Lien with respect to the property, setting forth the name of the Owner, the legal description of the property, the name of the Association, and the amount of delinquent assessments then owing, which Statement shall be duly signed and acknowledged by the President or a Vice-President of the Association, and which shall be served upon the Owner of the property by Certified Return Receipt Requested mail to the address of the property or at such other address as the Association may have in its records for the Owner of the Property. Thirty (30) days following the mailing of such notice, the Association may proceed to foreclose

the statement of Lien in the same manner as provided for the foreclosure of mortgages on real property under the statutes of the State of Colorado. In either a personal or foreclosure action, the Association shall be entitled to recover as a part of the action, the interest, costs and reasonable attorney's fees with respect to the action. No Owner may waive or otherwise escape liability for the assessments provided for herein by non-use of the Common Area or abandonment of his Lot.

8. Liability of Owners, Purchasers and Encumbrancers. The amount of any assessment, charge, fine or penalty payable with respect to any Owner, or such Owner's Guests or Lot shall be a joint and several obligation to the Association of such Owner and such Owner's heirs, personal representatives, successors and assigns during the Owner's ownership of the Lot. A party acquiring fee simple title to a Lot shall be liable to the Association for all such amounts which had accrued and were payable at the time of the acquisition of fee simple title to the Lot by such party, without prejudice to such party's right to recover any of said amount from the former Owner. Each such amount, together with interest thereon, may be recovered by suit for a money judgment by the Association without foreclosing or waiving any lien securing the same. Notwithstanding the foregoing, the holder of a mortgage deed of trust or other lien on a Lot shall not be liable for any such assessment, charge, fine or penalty and the lien for any such assessments, charges, fines or penalties shall be junior to any lien or encumbrance on a Lot taken in good faith and for value and perfected by recording in the office of the County Clerk and Recorder of Routt County, Colorado, prior to the time a notice of failure to pay any such amount is recorded in said office, describing the Lot and naming the Owner of the Lot.

9. Estoppel Certificate. Upon payment of a reasonable fee not to exceed \$15.00 and upon written request of any Owner or any person with any right, title or interest in a Lot or intending to acquire any right, title or interest in a Lot, the Association

shall furnish a written statement setting forth the amount of any assessments, charges, fines and penalties, if any, due or accrued and then unpaid with respect to the party to whom it is issued, be conclusive against the Association and all parties, for all purposes, that no greater or other amounts were then due or accrued and unpaid.

8. Implied Rights of Association. The Association, in addition to the powers granted by its Articles of Incorporation, shall have and may exercise any right or privilege given to it expressly in this Declaration, or given to it by law, and shall have and may exercise every other right or privilege or power and authority necessary or desirable to fulfill its obligations under this Declaration, including the right to engage necessary labor and acquire use of or purchase necessary property, equipment or facilities, employ personnel necessary to manage affairs of the Association, and obtain and pay for legal, accounting and other professional services as may be necessary or desirable.

ARTICLE V

ASSESSMENTS

1. General and Special Assessments. Each Owner, of any Lot situated on the real property hereinbefore described by reference of a deed therefor, whether or not it shall be so expressed in any such deed or other conveyance, is deemed to covenant and agree to pay to the Association the annual general assessments

and special assessments established and levied from time to time on his lot as hereinafter provided. The general and special assessments, together with such interest thereon and costs of collection thereof, as hereinafter provided, shall be a charge on the land and shall be a continuing lien upon the property against which such assessment is made. Such assessments are subject to certain limitations; as to general assessments see Article X hereof and for special assessments see Section 6 of this Article.

2. General Assessments. The Association shall and is hereby authorized to levy an assessment against all Lots for the purpose of defraying all costs and expenses of the Association incurred in the performance of its obligations under this Declaration or any other obligations rightfully undertaken by said Association including, without limitation, costs and expenses incurred in protecting and preserving the health, safety and welfare of the Owners of Lots and their Guests; in improving, maintaining, repairing, replacing and making additions to the Common Areas, streets, and facilities of the Association; for the costs of labor, equipment, materials, management and supervision of the Common Areas and facilities of the Association; and for the payment of taxes and insurance relating to the Common Areas and facilities. All assessments so levied are herein referred to as "general assessments." The Board of Directors of the Association shall have the power and authority to determine all matters in connection with general assessments, including the power and authority to determine the amount of general assessment and where, when and how general assessments shall be paid to the Association, and each Owner shall be obligated to pay and shall pay to the Association the amount so established in the manner so established.

3. Budget for General Assessments. The total amount required to be raised by general assessments for the Association shall be determined for each fiscal year of the Association in accordance with the following procedure.

Not less than thirty (30) days prior to the commencement of each fiscal year of the Association, the Board of Directors of the Association shall prepare a budget for the forthcoming fiscal year showing, in reasonable detail, the various matters proposed to be covered by the budget, the estimated costs and expenses to be incurred by the Association, the estimated income and other funds which will be earned by the Association, and the estimated total amount required to be raised by general assessments to cover the costs and expenses to be incurred by the Association in fulfilling its obligations specified in this Declaration and in fulfilling any and all long-term or continuing commitments of the Association made in connection with or contemplated under any previously approved budget. The total amount required to be raised by general assessments for any fiscal period for a full fiscal year determined as above multiplied by a fraction, the numerator of which is the number of months in the fiscal period and the denominator of which is the months of that fiscal year.

The total amount of general assessments required to be raised by the Association, as shown in a budget prepared in the foregoing manner, shall be equally apportioned among all of the existing Units. In determining the number of Units allocable to each Lot for assessment purposes, the following rules shall apply:

(a) Each Lot, other than a multi-family tract which is used by a single family for residential purposes shall be equal to one Unit.

(b) Each duplex which has actually been constructed on a Lot, shall be equal to two Units.

(c) Each multi-family tract, which has not been re-subdivided or submitted to condominium ownership shall be equal to the maximum number of resubdivided lots, condominium units, townhouse units, apartment units, duplex or other multiple dwelling units which could be built on said lot pursuant to the Steamboat Springs Subdivision Ordinances, in effect at the time of recording of this Declaration.

(d) if and when a multi-family tract has been resubdivided or submitted to condominium ownership then each such resubdivided lot, townhouse unit, condominium unit, apartment unit, duplex unit or other multiple dwelling unit shall be equal to one unit.

(e) Notwithstanding any of the foregoing rules, under no circumstances shall any lot in these properties be equal to less than one unit. The amount of the general assessment for any fiscal period of the Association payable with respect to each lot coming into existence during such fiscal year shall be computed by multiplying the general assessment for said type lot for that fiscal period by a fraction, the numerator of which shall be the number of days remaining in that fiscal period after the lot comes into existence and the denominator of which shall be the total number of days in that fiscal period.

4. Notice of General Assessment. Within the thirty (30) day period preceding the commencement of each fiscal year of the Association, the Association shall furnish a copy of the budget arrived at in the foregoing manner all Owners. Accompanying such budget shall be a notice to each Owner setting forth the amount of general assessments due and payable with respect to each lot of an Owner and specifying where, when and how such general assessment shall be paid to the Association.

5. Supplemental Budget. If at any time it appears to the Association that the amount required to be raised by the Association during any fiscal year shall exceed the amount estimated in the budget previously prepared for such fiscal year, the Board of Directors of the Association may prepare a supplemental budget and may, at any time, deliver to Owners a copy of such supplemental budget together with a notice reflecting the change in the general assessment per lot due and payable by each such Owner from and after the date of such notice, subject to the limitations of Article X herein.

6. Special Assessments. In addition to the general assessments hereinabove authorized, the Association may levy in

any fiscal year a special assessment applicable to that year only, for the purpose of defraying, in whole or in part, the cost of any construction, reconstruction, unexpected repair or replacement of a capital improvement of the Association, provided, however, that any such assessment must first be approved by a two-thirds (2/3) vote of the members who vote in person or by proxy at a meeting duly called for the purpose of voting on such proposed special assessment. Written notice of any such meeting shall be sent to all members at least thirty (30) days in advance of such meeting and shall set forth the purpose of the meeting. The date or dates on which such special assessment shall be due and payable shall be fixed by the Board of Directors of the Association.

7. Effect of Nonpayment of Assessments--Liens against the Association. The amount of any general assessment, special assessment, charge, fine, penalty or other amount payable with respect to any lot, owner or owner's guests shall become due and payable as specified by the Association and any such amount shall bear interest at the rate of twelve percent (12%) per annum from and after the date due, until the same is paid. The Association may bring an action at law against the owner obligated to pay the delinquent assessments. In addition to such action or as an alternative thereto, the Association may file with the Clerk and Recorder of Routt County, wherein the property is situated, a Statement of Lien with respect to the property, setting forth the name of the owner, the legal description of the property, the name of the Association, and the amount of delinquent assessments then owing, which Statement shall be duly signed and acknowledged by the President or a Vice-President of the Association, and which shall be served upon the owner of the property by Certified Return Receipt Requested mail to the address of the property or at such other address as the Association may have in its records for the owner of the property. Thirty (30) days following the mailing of such notice, the Association may proceed to foreclose the Statement of Lien in the same manner as provided for the foreclosure of mortgages on real property under the statutes of

the State of Colorado. In either a personal or foreclosure action, the Association shall be entitled to recover as a part of the action, the interest, costs and reasonable attorney's fees with respect to the action. No Owner may waive or otherwise escape liability for the assessments provided for herein by non-use of the Common Area or abandonment of his Lot.

8. Liability of Owners, Purchasers and Encumbersees.

The amount of any assessment, charge, fine or penalty payable with respect to any Owner, or such Owner's Guests or Lot shall be a joint and several obligation to the Association of such Owner and such Owner's heirs, personal representatives, successors and assigns during the Owner's ownership of the Lot. A party acquiring fee simple title to a Lot shall be liable to the Association for all such amounts which had accrued and were payable at the time of the acquisition of fee simple title to the Lot by such party, without prejudice to such party's right to recover any of said amount from the former Owner. Each such amount, together with interest thereon, may be recovered by suit for a money judgment by the Association without foreclosing or waiving any liens securing the same. Notwithstanding the foregoing, the holder of a mortgage deed of trust or other lien on a Lot shall not be liable for any such assessment, charge, fine or penalty and the lien for any such assessments, charges, fines or penalties shall be junior to any lien or encumbrance on a Lot taken in good faith and for value and perfected by recording in the office of the County Clerk and Recorder of Routt County, Colorado, prior to the time a notice of failure to pay any such amount is recorded in said office, describing the Lot and naming the Owner of the Lot.

9. Escropel Certificate. Upon payment of a reasonable fee not to exceed \$15.00 and upon written request of any Owner or any person with any right, title or interest in a lot or intending to acquire any right, title or interest in a lot, the Association shall furnish a written statement setting forth the amount of any assessments, charges, fines and penalties, if any, due or accrued and then unpaid with respect to the party to whom

it is issued, be conclusive against the Association and all parties, for all purposes, that no greater or other amounts were then due or accrued and unpaid.

Every transfer, conveyance, grant, devise, bequest, encumbrance or other disposition of the lot shall be deemed to constitute a conveyance, grant, devise, bequest, encumbrance or transfer or disposition of such rights and obligations.
